**Save up to \$5,000 when you
make the jump to GTXpro.**

UPGRADE NOW
Contact your authorized
Brother DTG dealer

Take advantage of Brother's Customer Loyalty Promotion to save big when you upgrade your DTG printer to the our most sophisticated model ever, the GTXpro – or the new high-volume version, GTXpro B. The new technology and operational features will help take your business to a new level.

To qualify for the discount, you will need to provide your GTX serial number to the authorized Brother DTG dealer. Each GTX serial number can only receive the discount once during the promotion.

| GTXpro Printer | MSRP | LOYALTY DISCOUNT | YOUR PRICE |
|-----------------------|----------|------------------|------------|
| CMYK + White | \$24,800 | \$4,700 | \$20,100 |

| GTXpro B Printer | MSRP | LOYALTY DISCOUNT | YOUR PRICE |
|-------------------------|----------|------------------|------------|
| Bulk CMYK + White | \$36,500 | \$5,000 | \$31,500 |

Discount available for new single receipt qualifying purchases made between June 30, 2022 - September 30, 2022 at participating authorized Brother DTG Dealers within the United States. Limit one upgrade discount per GTX serial number provided, with a maximum of three upgrade discounts per company. Resold or transferred machines do not qualify for this offer. Cannot be combined with any other offer. Brother reserves the right to modify or discontinue this offer at any time without advance notice. ©2022 Brother International Corporation.
